Dignity

Awe-inspiring and top-of-the-class! Artfully tapered backrest and armrest design, and loose quilted cushions lend Dignity that edgy look while ensuring optimum comfort. Its sturdy design, with moulded compressed wood panel used on the sides of the arms, looks chic but it strengthens the entire structure to support varied movements. The base of the chair is made with moulded compressed wood with copper rod inlay and is embellished with copper buttons, where you can stylishly rest your shoe. A delicate balance of curves and lines, adorned with copper rods, it is apt for a polished contemporary director's cabin.

Dignity

To make those private meetings even more exquisite with the Dignity couch that is as edgy and elite as the chair. Sure to have your guests in its awe, pair this couch with the centre or corner table from the same collection that comes with a glass top. Just so, the couch never loses the limelight.
