

## Peak Study

## Peak

Unlike other tables, for Peak, we decided to bend the top to form the apron. This tabletop is made of compressed wood, and the pipe structure follows the same profile, making the joinery seamless. Peak chair is available in both is laminate and cushioned seats and backs. This study table set is exquisite and works best for colleges and even for work from home.

The Peak series includes a folding table, and it works perfectly for multipurpose spaces. It is available with castors for easy movement, and this table can be paired with any revolving chair. Ease also includes a chair with a writing flap for seminar rooms, training sessions and coaching classes.
