

Socio

Socio is an ideal chair for banquets and large spaces like community rooms; it also works well for restaurants. Socio is an assembly of round tubular pipe frame, moulded compressed wood back and plywood Seat. There is also an option of Cushioned Seat and Back or only cushioned Seat.

Socio Series also includes a few revolving chairs. These compact revolving chairs have no tilting but can give height adjustments. The chair has an option of with armrests and without armrests. We also have a high chair in the Socio family. This one can be made either fixed or revolving according to the client's requirements.

The Socio family also includes very lightweight Tandem Seating to match the remaining furniture. The layout of these Tandem Seatings can be according to the site conditions. These work best for public spaces like hospitals and reception waiting rooms.
